

1. Does the app make it easier to keep track of the cards you own?

“ the app makes it very easy to keep track of all the cards I'd own and has a relatively simple layout to follow.”

2. How easy or difficult is it to find a card's value?

“ It is very easy to find a card value due to the marketplace. The cards have descriptions that easily show the price and value of cards”

3. Is it simple to categorize and organize your cards?

“ it is fairly simple to categorize these cards due to the amount of attributes you enter when adding cards.”

4. Is the process of adding new cards to a collection quick and straightforward?

“ This process is very simple and the form is easy to understand.”

5. Are the market insights helpful when deciding to buy or sell?

“ For me personally the insights are very helpful because it helps to show me if I'm paying more or less than what somebody would pay for an average card or a card of said rarity.”
